

CRAFT ACTIVITIES

The theme of the Sunday gathering was to keep 'meeting, talking about Jesus and singing'.

When things were changing, the followers of Jesus kept getting together and supporting and helping one another. This craft is aimed at getting you thinking about why friendship is sooooo important. Have a look at the example pictures below

Go and collect pebbles from the street or garden together

Talk about why God wants his followers to meet together and what you could make out of the pebbles

Make a pebble picture about friendship

While making the picture play the music I suggested

Discussion Questions to think about as well!

- How can I help the other people in my house?
- When can I spend time talking, singing, praying to God?
- Who am I going to 'meet' to talk about faith and life?
